WELCOME TO THE DOLPHIN

The Dolphin is like our home, where every room can host a different type of meeting, game, event or party and of course this spreads into the garden when the warmer weather calls...

Every event must be personal to you, so please use this booklet as a guide to what we can do, but feel free to challenge us!

Bookings of up to 8 can be booked immediately online and for larger parties you can book directly or reserve your space online to bag your spot whilst we sort the details with you.

At peak times like Christmas we will obviously fill up earlier so please do let us know your plans as soon as the ideas start filling your head.

Each event will therefore be individually priced but as a guide we try to avoid room hire, as we'd prefer for you to be able to spend your monies on food, drink and fun.

Sadly, we don't allow DJ's or bands that are for your exclusive party as we need to control the atmosphere for the whole building but we have a brilliant partner who creates playlists we can all enjoy and we have a lot of ideas for added extras that make your party swing.
